Background/Supporting Information

The City of Minneapolis is participating for the fourth year in the National Arts Program, which was established in 1985 by the Leonard E. B. Andrews Foundation to inspire, acknowledge and reward creative accomplishment throughout the nation. The goal of the program is to reach out to municipal employees and their families and afford them the opportunity to exhibit their artwork. This year we anticipate nearly 100 submissions from city and county employees. Cash prizes totaling \$2,250 will be awarded to winners selected in five artistic categories on Monday, April 14, 2003.
